

Vector< Studentas >
::assign

Vector< Studentas >
::assign

Vector< Studentas >
::assign

Vector::clear

```
graph LR; A[Vector< Studentas >::assign] --> D[Vector::clear]; B[Vector< Studentas >::assign] --> D; C[Vector< Studentas >::assign] --> D;
```

The diagram illustrates a sequence of operations. On the left, there are three identical boxes, each containing the text 'Vector< Studentas >::assign'. On the right, there is a single box containing the text 'Vector::clear'. Three blue arrows originate from the right side of each 'assign' box and point towards the 'clear' box, indicating that the 'clear' operation is performed after each 'assign' operation.
